Re: Propane cylinder size

---

To whom it may concern,

I have spoken to Westgate Petroleum 5 times since I began our current LIHEAP application and have FINALLY gotten them to send a copy of our most recent invoice, WHICH DOES NOT INCLUDE OUR CYLINDER SIZE.

It is their company policy to make customers wait until FRIDAYS, to receive electronic communication. I wish I was joking. So, PLEASE FEEL FREE TO CALL THEM TO VERIFY THAT **OUR TANK IS 250 GALLONS.**
